G. CHOICE OF PROCEDURE

There are 3 possible choices:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

This procedure is likely to be suited to more complicated cases which require detailed discussion about the merits of a proposal. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure. You must give detailed reasons below or on a separate document why you think a hearing is necessary.

Please answer the question below.
